WHAT TO BRING

The following materials and clothing are required and should be identified with the camper's name:

Bible	Notebook and pencil
2 towels	2 washcloths
Laundry bag for soiled clothes	Toiletries
Jeans/pants - play clothes	Boots and rain coat
Swimsuit (no bikinis)	Heavy jacket
Sunblock	Insect repellent
Sleeping bag or 3 blankets (it can be very cold)	

The Health Department requires that when hiking all campers wear long pants tucked into their socks or with boots. **At all times, campers are expected to dress appropriately for a Christian camping environment. Modest clothing is required. For example: tank tops, spaghetti strap tops, short shorts, etc., are not acceptable.**

A camper may bring a camera and a flashlight with batteries. Campers **are not permitted** to have in their possession at camp radios, CD or tape players, cellular telephones, computers, iPods, MP3 players, etc. Camp's emphasis is to provide an experience with our Creator and the natural environment He made. High-tech hardware detracts from this experience. Cell phones, iPads, etc., may be used under supervision in Shepherd's Staff during rest period (after showers). They will be kept securely in Shepherd's Staff at all other times.

The camp and staff cannot assume any responsibility for any personal items.

STATE PERMIT

New York State law requires that Christian Heights be permitted by the Department of Health and that it be inspected twice annually. The inspection reports are filed at the camp during the sessions and at the president's home during the off-season. The president's phone number is included in this brochure.

VISITORS

Visitors are welcome but must report your presence immediately to the camp director. Parental visits to campers may lead to homesickness and are discouraged during the week.

HEALTH

A nurse or EMT is required to be on staff at camp. Other staff members have first aid and CPR certification.

The meals are planned to provide adequate nutrition. The menu is provided to the Department of Health and sanitary kitchen conditions are carefully followed. **Do NOT send special food for your camper unless it is medically required.** Do NOT bring snack foods unless donated for the entire camp.

Alcoholic beverages, illegal drugs, smoking and possession of weapons are obviously forbidden. All medications are kept locked in the infirmary.

As required by the NYS Health Department, each camper must bring to camp a NEW and COMPLETED Health Form. Do NOT send it. **IT MUST INCLUDE IMMUNIZATION DATES.** (Please note additional information in the "REGISTRATION" section.) The Health Form will be sent to you after you pre-register. In the event that a camper is diagnosed as having a contagious illness the family must return him/her home if requested. Campers are **NOT** permitted to leave the campgrounds (other than for camp activities which are properly supervised) without a parent unless permission is granted in writing. This includes trips between camp and home. Camp is required to log who brings the camper and who takes the camper home.

DONATIONS

Since the campers' fees cover only part of the camp's budget, a substantial portion of Christian Heights' income is donated. Donations of food (excluding home processed), craft supplies, building materials, money and pre-camp labor are necessary and much appreciated.

Direct donations to Christian Heights are the most effective as there is no administration fee paid for fund raising. However, a core of friends supports Christian Heights through the Donor Choice Program of the United Way. If your place of employment encourages you to give to the United Way, please consider **DESIGNATING "CHRISTIAN HEIGHTS CAMP"** as your donor choice. Currently, supporters are designating CHC in the United Ways of Buffalo/Erie County, Cattaraugus County, Greater Niagara, and the Tonawandas. CHC welcomes any questions you have regarding this.

WHY CHRISTIAN HEIGHTS?

The Christian Heights camp program is designed to tell campers of Jesus' love, to help them learn to practice a love like His, and to stimulate growth in His love. The Camp is non-sectarian and is operated by an independent group of believers who are concerned with proclaiming Christ as savior. It seeks the unity of all believers that Jesus prayed for.

CAMP SESSIONS 2017

DATE	AGES	DIRECTOR/ASSISTANT DIRECTOR
July 8-14	8-16	Dianne Fazzolari/John Fazzolari
July 15-21	8-16	Aimee Peters/Eddie Brown

Dianne Fazzolari will be serving as Director Week 1 at camp. She and her family have been at camp for 10 years now. Dianne has a Master's degree from Canisius College in Early Childhood Education. Dianne and her husband John have been married for 20 years and have four children. She sees Christian Heights as a place where children from all backgrounds become one, accepting each other, learning from one another, having fun and most importantly learning what God's love is all about.

Supporting Dianne as Assistant Director Week 1 will be her husband John. John has been involved in camp for ten years, nine serving on the board, eight of those serving as junior boys' counselor (Clarke cabin!!!). An environmental engineer by trade, he enjoys using both his hands and his skills working on improvements to the grounds, and spending time with the campers and staff. Camp is a special place for him, seeing his family come together and learn to seek out Jesus in their daily lives at CHC.

Aimee Peters is honored to be Director for the second week of camp again this year. Aimee was a camper at Christian Heights back when the Murph was in use. Since 2000, she has volunteered at CHC each year, in various roles. Christian Heights is a place Aimee feels a strong closeness with God, something she looks forward to sharing with each person at Camp. It is a place where everyone can truly feel God's Spirit at work. She is looking forward to another joyous year at Christian Heights!

Eddie will be serving as Assistant Director Week 2. He holds a Bachelor's Degree in Business Administration with a concentration in Management. Eddie holds true to his past experiences at CHC and loves sharing the traditions with current and new campers. CAMP

Christian Heights is located in the foothills of the beautiful Allegheny Mountains. The camp is positioned on one of the highest elevations in Cattaraugus County. It includes 150 acres of land, much of which is wooded.

The camp program includes Bible study, daily chapel, devotionals, campfires, classes in arts/crafts, archery, hot dog roasts, softball, volleyball, swimming, ping-pong, soccer, basketball, various interactive games and hikes in the woods. At least once each week an overnight hike is provided, weather permitting.

Each day presents a balanced program of play, study and rest. Campers are expected to share in the care of the camp grounds and in kitchen clean-up after meals.

Altogether, Christian Heights offers an appealing program of outdoor living and summer fun in a wholesome, supervised Christian atmosphere. A daily schedule provides necessary structure and is clearly posted.

Worship services are held each Sunday morning during camp at 11:00. Parents are welcome to attend these services with their children. If you have any questions regarding camp, please contact any of the officers listed herein or the camp director.
