The following materials and clothing are required and should be identified with the camper's name:

Bible	notebook and pencil
2 towels	2 washcloths
laundry bag for soiled clothes	toiletries
jeans/slacks - play clothes	boots and rain coat
swimsuit (no bikinis)	heavy jacket
sunblock	insect repellent
sleeping bag or 3 blankets (it can be very cold)	

The Health Department requires that when hiking all campers wear long pants tucked into their socks or with boots. **At all times, campers are expected to dress appropriately for a Christian camping environment. Modest clothing is required. For example: tank tops, spaghetti strap tops, short shorts, etc., are not acceptable.**

A camper may bring a camera with film and a flashlight with batteries.

Campers **are not permitted** to have in their possession at camp radios, CD or tape players, cellular telephones, computers, iPods, MP3 players, etc. Camp's emphasis is to provide an experience with our Creator and the natural environment He made. High-tech hardware detracts from this experience. Cell phones, iPads, etc., may be used under supervision in Shepherd's Staff during rest period (after showers). They will be kept securely in Shepherd's Staff at all other times.

The camp and staff cannot assume any responsibility for any personal items.

STATE PERMIT

New York State law requires that Christian Heights be permitted by the Department of Health and that it be inspected twice annually. The inspection reports are filed at the camp during the sessions and at the president's home during the off-season. The president's phone number is included in this brochure.

VISITORS

Visitors are welcome but must report your presence immediately to the camp director. Parental visits to campers may lead to homesickness and are discouraged during the week.

HEALTH

A nurse or EMT is required to be on staff at camp. Other staff members have first aid and CPR certification.

The meals are planned to provide adequate nutrition. The menu is provided to the Department of Health and sanitary kitchen conditions are carefully followed. **Do NOT send special food for your camper unless it is medically required.** Do NOT bring snack foods unless donated for the entire camp.

Alcoholic beverages, illegal drugs, smoking, and possession of weapons are obviously forbidden. All medications are kept locked in the infirmary.

As required by the NYS Health Department, each camper must bring to camp a NEW and COMPLETED Health Form. Do NOT send it. **IT MUST INCLUDE IMMUNIZATION DATES.** (Please note additional information in the “REGISTRATION” section.) The Health Form will be sent to you after you pre-register. In the event that a camper is diagnosed as having a contagious illness the family must return him/her home if requested. Campers are **NOT** permitted to leave the campgrounds (other than for camp activities which are properly supervised) without a parent unless permission is granted in writing. This includes trips between camp and home. Camp is required to log who brings the camper and who takes the camper home.

DONATIONS

Since the campers’ fees cover only part of the camp’s budget, a substantial portion of Christian Heights’ income is donated. Donations of food (excluding home processed), craft supplies, building materials, money and pre-camp labor are necessary and much appreciated.

Direct donations to Christian Heights are the most effective as there is no administration fee paid for fund raising. However, a core of friends supports Christian Heights through the Donor Choice Program of the United Way or Truist. If your place of employment encourages you to give to the United Way, please consider **DESIGNATING “CHRISTIAN HEIGHTS CAMP”** as your donor choice. Currently, supporters are designating CHC in the United Ways of Buffalo/Erie County, Cattaraugus County, Greater Niagara, and Central New York. CHC welcomes any questions you have regarding this. If you make purchases at Amazon, please sign-up for AmazonSmile and choose Christian Heights, Inc.

WHY CHRISTIAN HEIGHTS?

The Christian Heights camp program is designed to tell campers of Jesus’ love, to help them learn to practice a love like His and to stimulate growth in His love. The Camp is non-sectarian. It is operated by an independent group of believers who are concerned with proclaiming Christ as savior. It seeks the unity of all believers that Jesus prayed for.

CAMP SESSIONS 2022

DATE	AGES	DIRECTOR
July 10-16	8-16	Tina Jernatowski
July 17-23	8-16	Aimee Peters

Tina has called Camp her family for the last 15 years. She started as a camper and then found her favorite spot as counselor for the girls’ cabins. Each summer, she has loved laughing, praying, and growing up with some favorite friends. Tina works full time as a registered dietitian throughout western New York. This will be her first year as director of Camp. She cannot wait to see campers laughing, singing, running, and seeing Jesus at work! You can always find Tina on the slip-n-slide, playing volleyball, or leading a devotional until the girls fall asleep!

Aimee Peters will be the Director for the second week. She is a home school mom and teacher. Aimee was a camper at Christian Heights back when the Murph was in use. Since 2000, she has been volunteering each year, in various roles including counselor, lifeguard, activities director, Assistant Director and Director. Christian Heights is a place where Aimee truly believes everyone can feel God's Spirit at work.

A HEALTHY CAMP

The staff and Board of Directors are committed to having a safe and healthy experience for every camper. To achieve this goal requires a cooperative team effort. It starts with the preparation at home. It means that all who come to Camp are free of infectious diseases, have a completed health form and are screened by Camp’s medical director.

Christian Heights works closely with the Cattaraugus Department of Health to ensure that our facilities and practices conform to the highest possible standards of physical, mental and spiritual health.

CAMP

Christian Heights is located in the foothills of the beautiful Allegheny Mountains. The camp is positioned on one of the highest elevations in Cattaraugus County. It includes 150 acres of land, much of which is wooded.

The camp program includes Bible study, daily chapel, devotionals, campfires, classes in arts/crafts, archery, hot dog roasts, softball, volleyball, swimming, ping-pong, soccer, basketball, various interactive games and hikes in the woods. At least once each week an overnight hike is provided, weather permitting.

Each day presents a balanced program of play, study and rest. Campers are expected to share in the care of the camp grounds and in kitchen clean-up after meals.

Altogether, Christian Heights offers an appealing program of outdoor living and summer fun in a wholesome, supervised Christian atmosphere. A daily schedule provides necessary structure and is clearly posted.

Worship services are held each Sunday morning during camp at 11:00. Parents are welcome to attend these services with their children.

If you have any questions regarding Camp, please contact any of the officers listed herein or the camp director.

CAMPER ACCOMMODATIONS

Camp accommodations limit the total weekly enrollment. Enroll early to avoid disappointment.

The latter houses the first aid quarters, showers, toilets, utility room, 4 bedrooms and general purpose room. **Registration will occur in the Shepherd's Staff, from 1:30 to 3:00 on Sundays.**

On the campgrounds are a ball field which is used for a variety of games, a playground area, an in-ground swimming pool, an obstacle course, hiking trails and an asphalt basketball court.
